SPECIAL EDITION UPDATE

BOARD OF SUPERVISORS AGENDA

ITEM: TUESDAY 7/29/2025

In response to concerns from tenants regarding the availability of auto insurance that meets the standards required by the County for vehicle entry to the Airports, the El Dorado County Board of Supervisors will be considering a staff and Airport Ad Hoc Committee (District III and IV Supervisors) recommendation Tuesday 7/29/25 to *lower* vehicle insurance to previous requirements. We hope this will alleviate the concerns of some tenants and enable us to continue to keep the airports safe. Agendas and minutes can be found at:

LEASE UPDATE

A huge thank you to all hangar owners who have renewed their leases. Out of all hangar spaces, 90% now have leases or are in the process of getting leases with us. We are processing leases as quickly as possible so that no one has to wait to use their hangars. We look forward to getting to 100%!

UPDATED FAQs

The County webpage will soon feature an updated Frequently Asked Question list. As we hear concerns and questions from you, we are updating this document to clear up any confusion you may have around the various changes at County Airports. You can view the FAQs, as well as many other helpful resources, at: <https://www.eldoradocounty.ca.gov/County-Government/County-Departments/Airports>.
