**Subject:** Computer Bid

Here are all the bids and the evaluation. The bidders marked as "rejected" is due to them only giving quotes and not writing their amounts on the county's bid documents. It looks as if Advanced Tech & Trading is the low bidder.

I have concerns that pricing won't be able to be held for long, as computer components change so rapidly.

Can't Granite Data Solutions build us a Dell Desktop Computer as needed by quote, using the piggyback contract?

That would be the best solution in my opinion.

Please let me know how you would like to proceed.
