Contract No. PW 13-30677, CIP No. 77130

ITEM NO.	LOCATION, PAGE OR DRAWING NO.	QUESTION/ANSWER
1.01.	N-1	<p><b>Question:</b> I'm writing to ask the nature of the pre-bid meeting for the Mount Aukum Road at North Fork Cosumnes River Bridge project on December 3<sup>rd</sup>. Can you please verify if the meeting is to cover contract requirements/DBE and/or if the meeting is to discuss specific project detail and/or a job walk?</p> <p><b>Answer:</b> The purpose of the pre-bid meeting is for the County to receive questions from potential bidders. Attendance is not mandatory and all items that are discussed will be documented in either a Response to Bidders' Inquiry or an Addendum posted on our website at <a href="http://www.edcgov.us/Government/DOT/Bids.aspx">http://www.edcgov.us/Government/DOT/Bids.aspx</a> A job walk is not part of the pre-bid meeting, but bidders can, and are encouraged to, visit the site on their own.</p>
1.02.	SP-55	<p><b>Question:</b> On all recent contracts that included Multi-Layer System, Caltrans has also allowed the use of an additional multi-layer system from Kwik Bond Polymers as shown on the attached spec. Please confirm if it will be allowed for this project.</p> <p><b>Answer:</b> We will respond to this question in a future Response to Bidders' Inquiry or Addendum.</p>
