This Message Is From an External Sender

This message came from outside your organization. Dear Supervisor Parlin,

[Report Suspicious](#)

I hope this email finds you well. I wanted to share that we are reaching out to Supervisor Veerkamp and Supervisor Ferrero to provide detailed information about our projects. As they are new supervisors, we believe it's important to ensure they are fully informed. As EDC constituents and stakeholders, our organization is committed to keeping them aware of all relevant project details.

I'm sharing this with you for full transparency. Please don't hesitate to reach out if you have any questions or need additional information.

Sincerely,

--
