Standard Agreement
Contract for Funds**

EXHIBIT A

AUTHORITY, PURPOSE AND SCOPE OF WORK

1) Authority

The State of California has established the Homeless Housing, Assistance, and Prevention Program Round 4 (“HHAP-4” or “Program”) pursuant to Chapter 6 (commencing with Health and Safety Code (HSC) section 50216) of Part 1 of Division 31 of the Health and Safety Code. (Amended by Stats. 2021, Ch. 111, Sec. 4. (AB 140) Effective July 19, 2021.)

The Program is administered by the California Interagency Council on Homelessness (“Cal ICH”) in the Business, Consumer Services and Housing Agency (“Agency”). HHAP-4 provides flexible block grant funds to Continuums of Care, large cities (population of 300,000+) and counties to build on the regional coordination created through previous Cal ICH grant funding and support local jurisdictions in their unified regional responses to reduce and end homelessness.

This Standard Agreement/Contract for Funds along with all its exhibits (“Agreement”) is entered into by Cal ICH and a Continuum of Care, a city, or a county (“Grantee”) under the authority of, and in furtherance of the purpose of, the Program. In signing this Agreement and thereby accepting this award of funds, the Grantee agrees to comply with the terms and conditions of this Agreement, and the requirements appearing in the statutory authority for the Program cited above.

2) Purpose

The general purpose of the Program is to (1) reduce homelessness by expanding or developing local capacity to address immediate homelessness challenges informed by a best-practices framework focused on moving homeless individuals and families into permanent housing and supporting the efforts of those individuals and families to maintain their permanent housing; and (2) continue to build on regional coordination developed through previous rounds of HHAP funding (Chapter 6 (commencing with HSC section 50216)).

This funding shall:

- a) Continue to build regional collaboration between continuums of care, counties, and cities in a given region, regardless of population, and ultimately be used to develop a unified regional response to homelessness.

- b) Be paired strategically with other local, state, and federal funds provided to address homelessness in order to achieve maximum impact. Grantees of this funding are encouraged to reference [Putting the Funding Pieces Together: Guide to Strategic Uses of New and Recent State and Federal Funds to Prevent and End Homelessness](#) to assist in using funding strategically for their planning efforts in the delivery of services to people experiencing homelessness in the community.
- c) Be deployed with the goal of reducing the number of people experiencing homelessness in a given region through investing in long-term solutions, such as permanent housing.
- d) Include the State as an integral partner through the provision of technical assistance, sharing of best practices, and implementing an accountability framework to guide the structure of current and future state investments.
