

# Kaiser Permanente 2020 Sample Fee List<sup>1</sup>

## What's the Sample Fee List?

The Sample Fee List is one of many resources we offer to help you better understand and manage your health care costs. It shows the estimated amount Kaiser Permanente members would be charged for certain professional services.<sup>2</sup> It doesn't include costs for hospital services, facility fees, or other kinds of services.

When reviewing the list, keep in mind that the amount you're actually charged may be different depending on the care you get, the type of facility you visit, your plan details, and whether you've reached your deductible. Some services may also require additional services that have extra costs – like an earwax cleaning ordered by your doctor during a hearing evaluation.

## How can I use the list?

The Sample Fee List can help you:

- Choose the right Kaiser Permanente deductible HMO plan during open enrollment
- Estimate what you'll pay for services before you reach your deductible
- Identify services that may be preventive care services, which are covered at no cost or at a copay (for a full list, visit [kp.org/prevention](https://kp.org/prevention))
- Estimate how much to contribute to any flexible spending account (FSA) or health savings account (HSA) connected to your plan, based on the services you expect to receive

## What happens after I reach my deductible?

As a deductible HMO member, you'll pay the full charges for covered services until you reach a set amount known as your deductible. Then you'll start paying less – a copay or a percentage of the charges (a coinsurance) for the rest of the year. Depending on your plan, you may pay copays or coinsurance for some services without having to reach your deductible.

This means that for many services you'll pay less than the estimated fees shown on the Sample Fee List after you reach your deductible. Here are some examples:

Service	Estimated fees	What you pay before reaching deductible	What you pay after reaching deductible
X-ray of knee	\$75	Full charges – \$75	Copay or coinsurance – for example, \$10 or 20% of estimated fee
Ultrasound of pelvis	\$268	Full charges – \$268	Copay or coinsurance – for example, \$20 or 30% of estimated fee
Stress test	\$159	Full charges – \$159	Copay or coinsurance – for example, \$25 or 40% of estimated fee

## Get a cost estimate

Sign in to [kp.org](https://kp.org) and click "Coverage & Costs" to look up what you might pay for various scheduled services and prescription drugs. Estimates are based on your plan benefits, so you'll get personalized information every time.

## Have questions?

If you want more information or have questions about a service that's not listed, please call the number on your Kaiser Permanente ID card.

<sup>1</sup>The estimated fees in this Sample Fee List are valid as of January 1, 2020, and may change without notice. This list only applies to members who get medical services from Kaiser Permanente facilities.

<sup>2</sup>Professional services are usually received at a medical office, including doctor's office visits, lab tests, and X-rays. They may also include physician-related services provided in a hospital.

If your health benefits are self-insured by your employer, union, or Plan sponsor, Kaiser Permanente Insurance Company provides certain administrative services for the Plan and is not an insurer of the Plan or financially liable for health care benefits under the Plan.
