2. The parties will mutually prepare an agenda a week in advance. The meeting will be cancelled if there is no agenda.
3. The LMC shall consist of an employee-member representative and a management representative from Placerville, Shingle Springs, South Lake Tahoe, the business agent for the Association, and Probation Officer or designee.
4. The County shall allow the employee-member representative to attend LMC meetings on County time, including travel, but shall not pay for overtime used beyond an employee-member representative's regularly scheduled shift.

ARTICLE 3. COUNTY RIGHTS

County retains, solely and exclusively, all the rights, powers, and authority exercised or held prior to the execution of this MOU, except as expressly limited by a specific provision of this MOU. Without limiting the generality of the foregoing, the rights, powers, and authority retained solely and exclusively by the County and not abridged herein, include, but are not limited to, the following; to manage and direct its business and personnel; to manage, control, and determine the mission of its departments,

building facilities, and operations; to create, change, combine, or abolish jobs, departments, and facilities in whole or in part; to direct the work force; to increase or decrease the work force, and determine the number of employees needed; to hire, transfer, promote, and maintain the discipline and efficiency of its employees; to establish work standards, schedules of operation, and reasonable work load; to specify or assign work requirements and require overtime; to schedule working hours and shifts; to adopt rules of conduct; to determine the type and scope of work to be performed by County employees, and the services to be provided; to classify positions, to establish initial salaries of new classifications; to determine the methods, processes, means, and places of providing services, and to take whatever action necessary to prepare for and operate in an emergency.

Nothing in this article is intended to alter the post-agreement rights of the respective parties as established by law to meet and confer on changes which would affect the wages, hours, and other terms and conditions of employment, except, however that the scope of representation shall not include consideration of the merits, necessity, or organization of any service or activity provided by law or executive order.

ARTICLE 4. ASSOCIATION RIGHTS

Section 1. Payroll Deductions

- A. The Association may have the regular dues, insurance plans and credit union deductions of its members deducted from employees' paychecks under procedures prescribed by the County Auditor/Controller. Nothing herein shall prohibit the County from placing reasonable limits as to the number of payees or deductions per employee for the purpose of efficient administration of the payroll system.
- B. The County will provide to the Association a list of new employees hired into regular positions represented by the Association on a biweekly basis.
- C. The County shall not be liable to the Association, employees, or any other party by reason of the requirements of this Article for the remittance or payment of any sum other than the constituted actual deductions made from an employee's wages earned. The Association shall hold and keep the County harmless against any and all claims, demands, suits, orders, judgments or other forms of liability that may arise out of or by reason of action taken by the employer under this Article.

Section 2. Communications with Employees

The Association shall be allowed by a County department, in which it represents employees, use of available bulletin board space and electronic media for communications having to do with official organization business. All material posted shall 1) not be obscene, 2) shall not malign the County or its representatives and shall not constitute harassment, discrimination or retaliation based on a legally protected status. The Director of Human Resources or designee reserves the right to remove any material posted in violation of this section if the Association refuses to remove the material on its own.

The designated representative of the Association shall give notice to the appointing authority or designee when contacting departmental employees during the duty period of employees, provided that solicitation for membership or other internal employee organization business shall be conducted only during the non-duty hours of all employees concerned. Non-duty hours are defined as before or after work, lunch periods and rest break periods.

Section 3. Use of County Buildings

County buildings and other facilities shall be made available for use of the Association or its representatives during non-duty hours in accordance with such administrative procedures as may be established by the Chief Administrative Officer (CAO) or appointing authorities concerned.

Section 4. Duplicating Equipment

The County agrees to allow the Association to use County duplicating equipment and facilities subject only to the following conditions:

- A. The Association purchases any required access keys.
- B. The Association reimburses the County promptly upon demand for the actual costs of the use of the equipment and material.
- C. The Association's use of such equipment and facilities does not interfere with the use by County employees for County business.

Section 5. Release Time

County employees who are official representatives of the Association shall be given reasonable time off with pay to attend formal meet and confer sessions, grievance or discipline meetings with management representatives. The Association shall notify the Director of Human Resources or designee of the names and departments of employees who are official representatives of the Association. Such representatives shall notify

their supervisors in writing on the first business day after a meeting has been scheduled of the dates of excused absences. This advance notice may be waived by the Director of Human Resources or designee in unusual circumstances. Except by agreement with the Director of Human Resources or designee, the number of employees released for meet and confer sessions shall not exceed four (4) in number.

Section 6. Advance Notice

Except in cases of emergency as provided below in this subsection, the Association, if affected, shall be given reasonable advance notice of any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the County and shall be given the opportunity to meet with appropriate management representatives. In case of emergency, the County shall notify the Association on the first business day after the emergency of its actions.

ARTICLE 5. WAGES AND OTHER RELATED ISSUES

Effective the first full pay period following Board of Supervisors adoption of the January 1, 2023 to December 31, 2025 MOU, the County will increase base wages for benchmark classifications and internally tied non-benchmark classifications to approximately the median (+/- 1%) of the County's May 2022 comparable agency compensation survey.

Effective the first full pay period in July 2023, the County will increase base wages for all classifications in this bargaining unit by 2.0%.

Effective the first full pay period in July 2024, the County will increase base wages for all classifications in this bargaining unit by 2.0%.

Section 1. Salary Status Upon Reemployment

A full-time or part-time employee who resigns in good standing and is reappointed in the same or closely related class within the same classification series within two (2) years of resignation shall be eligible, with the approval of the appointing authority, to be reappointed at any step up to and including the salary step received prior to resignation. If the appointing authority wishes to rehire the employee at a step which exceeds the step paid at the time of resignation, approval shall be required consistent with the Early Salary Range Step Advancement Personnel Rule. For purposes of vacation accrual, such an employee shall receive credit for the amount of prior service in effect at the time of resignation and shall be restored to the place on the vacation accrual table in effect at the time of resignation.

Section 2. Salary Step Increases

A. After initial appointment into an allocated classification and completion of thirteen (13) biweekly pay periods of satisfactory service at Step 1 of the salary range, and

upon recommendation of the appointing authority, the employee shall be advanced to Step 2. If an employee is appointed above Step 1, the employee's first step increase shall occur after completion of twenty-six (26) biweekly pay periods.

- B. After completion of twenty-six (26) biweekly pay periods of service at each of the salary steps of Step 2 and above, if the employee has completed probation, the employee shall be automatically advanced to the next higher step in the salary range. However, the employee will not automatically advance to the next step of the applicable wage range if the employee's appointing authority or designee submits the required paperwork denying the step increase at least one full pay period prior to the employee's salary review date.
- C. All increases shall be effective on the first day of the biweekly pay period following completion of the required period of service, excluding an increase from Step 1 to Step 2 pursuant to Section 2(A), which shall be effective on the first day of the biweekly pay period following the recommendation of the appointing authority.

Section 3. Classification Consolidation

- A. The County shall recommend to the Board of Supervisors that it 1) adopt the consolidated classification series DPO I/II/III, Supervisor A (collectively, "DPO-A"); and 2) retitle and amend the existing DPO (field) classification series to DPO I, II, SR, Supervisor B (collectively, "DPO-B"), effective the first full pay period following the Board of Supervisors adoption of the January 1, 2023 to December 31, 2025 MOU.
- B. Base wages for DPO-A classifications shall be set and maintained equal to commensurate level retitled DPO-B classifications.
- C. Should a DPO-B classification be vacated for any reason, including but not limited to voluntary resignation, retirement, promotion, transfer, etcetera, the vacated position shall be deleted, and replaced, upon Board approval, with a commensurate DPO-A allocation.

No individual may be newly hired, rehired, or otherwise moved into (via promotion, demotion, transfer, etcetera), a DPO-B classification. Once all allocated positions in a DPO-B classification are vacated and deleted, the DPO-B classification shall be abolished; once DPO-B is abolished, DPO-A classifications shall be retitled to DPO (without the "A" identifier) as the sole DPO classification series.

- D. As used in the context of the classification consolidation for establishment of base wages and probationary period, "commensurate level" means levels I, II, and supervisor are treated as the same level for each respective class; a Sr. DPO (field or institutions) shall be considered the same level classification as DPO III A and/or Sr. DPO B.

- E. For the sole and exclusive purposes of determining reduction in force retention points and shift selection seniority, DPO-B classes shall be treated as one class with their DPO-A counterparts, regardless of flexible-staffing. Therefore, DPO Supervisor B shall be treated as the same class as DPO Supervisor A, and DPO I, II, SR B, shall be treated as the same class as DPO I/II/III A for calculation of seniority/retention points.

Notwithstanding, should a reduction in force occur resulting in the layoff or displacement of a DPO-A incumbent, the lowest seniority commensurate level DPO-B incumbent may be re-assigned to work in an institution in order to ensure required staffing levels and institution operational needs are met, at the sole discretion of the appointing authority. The appointing authority may instead assign a lower level, lowest seniority DPO-B to work in an institution, when, in the appointing authority's discretion, such assignment would sufficiently meet required staffing levels and institution operational needs. Such assignment of a DPO-B to replace a laid off or otherwise displaced DPO-A to work at an institution shall not be subject to grievance or appeal.

ARTICLE 6. DAYS & HOURS OF WORK, PREMIUMS & BONUSES

Section 1. Work Schedule

- A. The appointing authority shall fix the hours of work with due regard for the convenience of the public, and the laws of the State and the County and as the appointing authority determines best serves the County.
- B. The County agrees to assign employees to a regular work schedule. The County may change that schedule at its discretion. The County agrees to give employees a minimum of a five (5) working day advance notice of work schedule changes.
- C. Employees shall be allowed rest periods of fifteen (15) minutes during each four (4) consecutive hours of work. Such rest periods shall be scheduled in accordance with the requirements of the individual department but shall generally occur near the middle of each four (4) hour shift. Rest periods are not accumulative and if not taken during the four (4) hour shift, are lost. Rest periods if not taken are lost and may not be accumulated to extend lunch periods (duty-free meal period) or to shorten the work day. Neither shall any additional pay accrue to an employee who misses or loses a rest period.
- D. With the approval of the employee's supervisor, employees with a duty-free meal period may elect to take either a thirty (30) minute or one (1) hour meal period.
- E. In no case may an employee's work schedule be changed during the work week when the purpose of such change is to avoid overtime compensation unless agreed to by the employee.

- F. In accordance with the County Personnel Rules, employees shall work eight (8) hours per day, five (5) days per week unless a fourteen (14) day work period or an alternative work schedule is assigned in accordance with the procedures set forth herein. (See G and H below.)
- G. The Director of Human Resources, at his/her discretion and upon recommendation of an appointing authority, may approve on a trial basis, during the term of this MOU alternative work schedules. Alternative work schedules proposed by the Association shall be submitted to the appointing authority and the Director of Human Resources. Department initiated alternative work schedules shall be submitted to the Association. Upon request by the Association, management shall discuss any proposed alternative work schedules before reaching a decision on implementation. Decisions on implementation and the reasons therefore shall be communicated to the Association.
- H. The classification of Probation Officer is exempt from the normal seven (7) day work period of the Fair Labor Standards Act (FLSA) pursuant to 29 U.S.C. Section 7(k) of the FLSA. At the discretion of the Chief Probation Officer or designee, based on available staffing employees may be assigned to a work schedule consisting of eighty (80) hours in a fourteen (14) day work period. Employees not assigned to such a work schedule shall be assigned to a standard seven (7) day, forty (40) hour work period.
- I. For employees in a fourteen (14) day work period, overtime shall be defined as any authorized time worked beyond eighty (80) hours per biweekly pay period. The definition of "time worked" shall be as defined in the Agreement.
- J. Employees whose regular day off falls on an official observed County holiday shall be compensated eight (8) straight-time hours for each full holiday falling on the scheduled day off. The holiday benefit created by this section shall not be counted as hours worked in the fourteen (14) day period mentioned above for the purposes of overtime.
- K. Employees on a fourteen (14) day work period or an alternative work schedule who are regularly scheduled to work more than eight (8) hours on the official County holiday and take the holiday off, shall supplement the eight (8) hours of holiday pay for the holiday with accrued floating holiday leave, vacation, or compensatory time off (CTO) in order to earn a total of eighty (80) hours of pay in the work period.
- L. The Chief Probation Officer or designee reserves the right to discontinue the fourteen (14) day work period or alternative work schedule upon thirty (30) calendar days' notice. Cancellation of the fourteen (14) day work period or alternative work schedule shall not be considered punitive, and is not subject to any administrative review or appeal, except for what is required under the MMBA (Meyers-Milias Brown Act).

Section 2. Overtime

- A. Authorization: The appointing authority or designee may require and shall authorize the performance of any overtime work in advance of being worked. If prior authorization is not feasible because of emergency conditions, a confirming authorization must be made on the next regular working day.
- B. Definition: Overtime shall be defined in accordance with the FLSA, except as specified in this MOU for purposes of contract overtime.
- C. Compensation: Overtime required by the FLSA shall be compensated at one and one half (1 ½) times the employee's regular rate of pay, or at the employee's request and with the department's approval, CTO accrued may be taken at the rate of one and one half (1 ½) hours off for each FLSA overtime hour worked. Overtime not required by the FLSA, also known as contract overtime, shall be compensated at one and one-half (1 ½) times the employee's base hourly rate of pay, and shall not be eligible for CTO in lieu.
- D. Accumulation and Use of CTO: The maximum accumulation of CTO shall be one hundred and sixty (160) hours.
 - 1. Use of accumulated CTO shall be a time mutually agreeable to the appointing authority and the employee.
 - 2. Employees may cash out CTO at any time subject to the approval of the appointing authority.
 - 3. Upon termination, any employee with accumulated CTO shall have it paid off.
- E. Other Provisions
 - 1. In no case may an employee's work schedule be changed during the work week when the purpose of such change is to avoid overtime compensation, unless agreed to by the employee.
 - 2. Time worked as overtime shall not be used to earn fringe benefits or to serve out probation or merit increase periods. CTO taken may be used as part of the established work week to earn fringe benefits and to serve out probationary and merit step increases.
 - 3. Employees assigned to positions requiring continuous coverage on a twenty-four (24) hour per day, seven (7) days per week basis who are held over at the conclusion of their shift for more than thirty (30) minutes without twenty-four (24) hours advance notice will be paid time and one half from the time

they are required/ordered to remain at work regardless of the number of hours actually worked during the work week.

4. Overtime shall be paid in accordance with these rules and the provision of the Fair Labor Standards Act.

Section 3. On Call Duty Compensation

- A. When warranted and in the interest of the County's operations, appointing authorities or designee may assign employees to "on-call" status.
- B. "On-call Duty" is an assigned duty outside the normal work week assignment during which an employee must remain where the employee can be contacted by telephone and employee is ready for immediate call-back to employee's department to perform an essential service.
- C. An employee assigned on-call duty shall be compensated at the rate of one dollar and sixty cents (\$1.60) per hour for each hour of such duty.
- D. An employee shall not be placed on the list to be contacted for on-call duty if the employee is on an approved leave.

Section 4. Call-Back Compensation

- A. When an employee returns to work because of a department request made after the employee has completed his/her normal work shift and left the work station, the employee shall be credited with two (2) hours plus any hours of work in excess of two (2) hours in which the employee is continuously engaged in work for which he/she was called back.
- B. An employee in on-call duty shall be entitled to the aforementioned two-hour minimum only once during a single on-call period or twice during a weekend on-call period.
- C. There shall be no duplication or pyramiding of rates paid under this section. No employee shall be compensated for on-call duty and call-back duty simultaneously. Hours worked on call-back duty shall be deducted from the prescribed on-call duty to determine the appropriate on-call pay.
- D. "Call-back" time shall be paid as premium compensation at time and one-half of the employee's base hourly rate of pay.
- E. The two (2) hour minimum shall apply only when an employee is required to physically return to work (e.g. leave home or another off duty location) in order to perform required duties. An employee who performs work after regular work hours, but who is not required to leave home, shall be compensated at the premium rate

for actual time worked.

- F. Call-back provisions, including the two (2) hour minimum, shall not apply if an employee is called to work within one (1) hour of their normal starting time. If an employee is called to work within the one (1) hour prior to their normal starting time, they shall be compensated under normal FLSA overtime provisions.

Section 5. Tahoe Employment Differential

In recognition of limited choices of health care plans, providers, and associated costs in the Tahoe Basin, eligible employees shall receive a total of one hundred and one dollars and fifty-three cents (\$101.53) paid twenty-four (24) pay periods per year (the first two pay days of each month); part-time employees shall receive a total of fifty dollars and seventy-six cents (\$50.76) paid twenty-four (24) pay periods per year (the first two pay days of each month).

Eligible employees are those employees who meet one of the following criteria:

1. The employee resides in the Tahoe Basin;
2. The employee resides outside of the coverage area for the County's HMO medical care plan (historically having an eastern boundary of Placerville) and the employee's primary work location is in the Tahoe Basin.

Employees not meeting one of these criteria shall not be eligible for this differential. For purposes of determining eligibility, an employee's residence shall be as documented by the physical home address on record with County Payroll. This differential shall only apply when an eligible employee is in paid status for a majority of their assigned hours in a pay period.

Section 6. Geographic Differential

Employees who reside in the Tahoe Basin (defined as the Tahoe Regional Planning Agency jurisdiction boundary around Lake Tahoe) shall receive two hundred dollars (\$200.00), paid twenty-four (24) pay periods per year (the first two pay days of each month); employees regularly scheduled to work twenty (20) hours or fewer per week (0.5 FTE or less) shall receive half this amount. For purposes of determining eligibility, an employee's residence shall be as documented by the physical home address on record with County Payroll.

Section 7. Longevity Pay

Longevity pay shall be granted for continuous service in an allocated position with the County except as otherwise provided in this MOU or the Personnel Rules, as follows:

After 10 years	5.0% of base hourly rate
After 15 years	7.5% of base hourly rate *
After 20 years	10.0% of base hourly rate *

* Represents total amount of longevity granted; amounts shown are not cumulative.

Base hourly rate is as listed in the Salary Resolution for the employee's classification and step.

Employees hired prior to April 3, 2018, who had not achieved the first longevity tier (5.0% at 10 years of service) will receive that longevity tier once they reach 10 years of service as provided in this section, above. However, these employees will not be eligible for any further longevity pay at 15 and/or 20 years of service.

Employees hired prior to April 3, 2018, who are already receiving longevity pay (5.0% at 10 years, 7.5% at 15 years or 10.0% at 20 years) will continue to receive their current longevity pay but will not be eligible for any further longevity pay at 15 and/or 20 years of service. Longevity pay for current employees in this group will therefore be frozen at the 5.0%, 7.5% or 10.0% currently received by the employee.

Employees represented by this bargaining unit who are hired on or after April 3, 2018, will not be eligible for longevity pay.

Longevity pay for eligible employees shall be effective on the first day of the biweekly pay period following completion of the required period of service.

This differential shall only apply when an eligible employee is in paid status for a majority of their allocated hours in a pay period. Employees on leave without pay are not eligible for this differential.

Section 8. Acting Pay Assignment

When an employee in a permanent position is assigned to work in a higher classification for which the compensation is greater than that to which the employee is regularly assigned, and the employee works in such assignment for more than fifteen (15) work days, the employee shall receive compensation for such work retroactive to the first (1st) day of the assignment at the rate of pay established for the higher classification pursuant to the County Personnel Rules, under the following conditions:

- A. The employee is assigned to a program, service or activity established by the Board of Supervisors which is reflected in an authorized position which has been classified and assigned to the Salary Schedule and listed in the County Personnel Rules and such authorized position has become vacant due to the temporary or permanent absence of the position's incumbent. A copy of the appointing authority's written approval of this assignment must be submitted to the Director of Human Resources or designee at the start of the assignment.

The nature of the departmental assignment is such that the employee in the lower classification becomes fully responsible for the duties of the position of the higher classification.

- B. Notwithstanding Section 8.A above, in an exceptional circumstance when a vacancy does not exist but an employee has been assigned to perform duties which exceed the scope of that employee's classification, and when determined and justified by the CAO, in their sole discretion, the employee will be entitled to pay for a higher classification in accordance with the other provisions of this Section.
- C. Employees selected for the assignment will normally be expected to meet the minimum qualifications for the higher classification.
- D. Pay for work in a higher classification shall not be utilized as a substitute for regular promotional procedures provided in this agreement.
- E. Higher pay assignments shall not exceed six (6) months except through re-authorization.
- F. If approval is granted for pay for work in a higher classification and the assignment is terminated and later reapproved for the same employee within thirty (30) days, no additional waiting period will be required.
- G. Allowable overtime pay, shift differentials and/or work location differentials will be paid on the basis of the rate of pay for the higher class.
- H. Employees who are given an acting pay assignment in a classification in another bargaining unit will continue to have all pay and benefits determined by this Agreement.

Section 9. Shift Differential

Any employee who is assigned to shift work, as defined by the department, and actually works a defined shift shall receive a shift differential for each hour over their regular rate of pay for all hours actually worked within the defined shift.

1. Swing shift shall receive one dollar (\$1.00) for each hour over their regular rate of pay for all hours actually worked within the defined swing shift.
2. Graveyard shift shall receive an additional one dollar and twenty-five cents (\$1.25) per hour over their regular rate of pay for all hours actually worked within the defined graveyard shift.

Eligible employees will receive the applicable shift differential for all hours worked in the defined shift. Employees required to work beyond their regularly assigned shift will receive the shift differential, if any, for that defined shift.

Employees may select to work Swing Shift and Graveyard Shift opportunities on the basis of their seniority within their job classification in their particular work unit unless the County determines that certain employees should be assigned to the Swing Shift and/or Graveyard Shift for job related reasons. The County will determine the term of any Swing Shift and/or Graveyard Shift assignments and may periodically call for a new round of shift selection by employees.

Section 10. Bilingual Differential

When an appointing authority designates in writing that an employee must utilize bilingual skill as a required component of the employee's job duties and necessary in the delivery of County services, an employee will be paid a bilingual differential of one dollar (\$1.00) per hour for all hours in pay status, not to exceed eighty dollars (\$80.00) per pay period.

The bilingual differential shall be paid for bilingual proficiency in any language determined by the appointing authority in writing as necessary to provide primary services to the public.

In order to be eligible for bilingual pay the Unit member must:

- A. Be certified by the County as possessing the requisite skill in the foreign language required in the assignment; and
- B. Be authorized and required as a regular part of the assignment of duties to converse and/or write in a language other than English. In order to be eligible to receive such differential, an employee must demonstrate language proficiency acceptable to the appointing authority, as certified in writing to the Director of Human Resources or designee. The Human Resources Department shall use a verbal and/or written testing process, depending upon the level of bilingual skill required of the employee, to validate the employee's skills. Written authorizations to receive a bilingual differential shall be reviewed and renewed annually by the appointing authority.

This differential shall only apply when an eligible employee is in paid status for a majority of their allocated hours in a pay period. Employees on leave without pay are not eligible for this differential.

ARTICLE 7. ALLOWANCES FOR WORK RELATED EXPENDITURES

Section 1. Mileage Reimbursement

During the term of this MOU, the rate of reimbursement for employees' use of private vehicles on County business shall be the federal rate as determined by the Internal Revenue Service.

Section 2. Uniform Allowances

Probation officers whether in the field or in institutions within the Probation Department who are required by the Department to wear and maintain uniform clothing (i.e. clothing with identifying logos) for identification and safety reasons shall receive a uniform allowance of ten dollars (\$10.00) paid twenty-four (24) pay periods per year (the first two pay days of each month). The department may provide work clothes/uniforms as needed for special purposes and/or safety reasons.

ARTICLE 8. EMPLOYEE BENEFITS & RETIREMENT

Section 1. Health/Dental

- A. A mutual goal of the County and the Association is to limit and manage the impacts of health plan costs on both County employees and the County's budget.
1. For the term of this MOU, the parties agree to a standardized cost sharing for the health insurance premium contribution rates, with the County paying 80% of the premium for full-time employees and the employee paying 20% of the premium.
 2. Health care coverage is on a calendar year basis (January 1 – December 31). Rates for the ensuing calendar year shall be effective upon approval by the Board of Supervisors, but no earlier than the pay period containing December 1. Rates will be unblended.
 3. Effective the pay period containing December 1, the contributions shall be per the health plan published rates.
 4. For purposes of this Article, a full-time employee is defined as an employee in an allocated position whose regular work schedule on an ongoing basis is eighty (80) hours of work in each pay period; a part-time employee is defined as an employee who is in an allocated position and whose regular work schedule on an ongoing basis is less than eighty (80) hours of work in a pay period.
 5. In order to be eligible for County contribution, other than required by law, a full-time employee must be in a paid status, i.e., where the employee is receiving

pay from work hours, CTO, vacation or sick leave. An employee who is receiving Workers' Compensation or temporary disability shall be eligible for continuation of the County's contribution until such time as eligibility for Workers' Compensation or temporary disability ceases.

6. An employee who ceases to be eligible for County contributions must pay directly to the Department of Human Resources the full amount of employee and County contribution in order to retain benefit coverage under the County-sponsored health/dental benefit plan.
7. The County will not contribute toward the cost of any plan other than those specifically sponsored by the County.

B. County health plan benefits are described in the Specific Health Plan Document. While mention may be made in this MOU of various benefits and provisions of benefit programs, specific details of benefits provided under the County Health/Dental Plan, Life, Workers' Compensation and Long-Term Disability Programs shall be governed solely by the various plan documents or insurance contracts and/or policies maintained by the County.

C. Part-Time Employees

Any part-time employee and dependents who, on September 6, 1991, were provided with the same benefit contribution as full-time employees, will continue to receive full-time benefit contribution unless and until a successor Agreement is negotiated between the parties, if required. A part-time employee, hired on or after September 7, 1991, whose regular work schedule is more than thirty-two (32) hours per pay period shall be eligible to participate in the health/dental insurance programs on a pro rata basis according to the following schedule.

1. The County shall pay the full County contribution to the health/dental costs as specified in Article 8. Section 1.A.1. for a part-time employee whose regular work schedule as documented on the payroll personnel form is between sixty-four (64) to seventy-nine (79) hours per pay period on an ongoing basis; the Employee Contribution will be automatically deducted from the biweekly pay check.
2. The County shall pay 75% of the County contribution to the health/dental costs for a part-time employee whose regular work schedule as documented on the payroll personnel form is forty (40) to less than sixty-four (64) hours per pay period on an ongoing basis; the remaining 25% of the County Contribution plus the Employee Contribution will be automatically deducted from the biweekly pay check.
3. The County shall pay 50% of the County contribution to the health/dental costs for a part-time employee whose regular work schedule as documented on the

payroll personnel form is thirty-two (32) to less than forty (40) hours per pay period on an ongoing basis; the remaining 50% of the County Contribution plus the Employee Contribution will be automatically deducted from the biweekly pay check.

4. Part-time employees whose regular work schedule is less than thirty-two (32) hours per pay period shall not be eligible for participation in the County health/dental insurance program.

A part-time employee may work additional or fewer hours than the employee's "ongoing" work schedule without changing the pro rata contribution. The pro rata contribution level may only be changed by amending the Payroll Personnel Form which documents the change to the ongoing work schedule.

Any part-time employee and dependents who, on or before September 6, 1991, were provided with the same benefit contribution as full-time employees, will continue to receive full-time benefit contribution throughout the term of this MOU.

D. Enrollment

1. Employees may enroll themselves and their eligible dependents in accordance with the provision of the County sponsored health/dental Plan. Employees may opt not to be covered by the County sponsored health/dental plan as allowed/required by law. In such case, neither the County nor the employee shall be required to make the contributions specified in Article 8, Section 1.A or 1.C as allowed/required by law.
2. Open Enrollment Periods will occur once every calendar year in October. During an Open Enrollment Period, eligible employees may enroll themselves and eligible dependents in the County sponsored health plan of their choice.

E. Terms & Conditions

1. County sponsored medical plan coverage starts the first day of the month following employment and ends the last day of the month following termination of employment. Retirees, at their own expense, may continue to be enrolled in the County sponsored or may be eligible for contributions pursuant to Article 8, Section 7.D. Health Plan coverage shall be in accordance with the provisions of the Plan. Employees who retire or who separate from County service may, at their own expense, continue to be enrolled in the County sponsored plan in accordance with provisions of the plan or as provided by law.
2. The parties agree that the County Health/Dental Plan is a Defined Benefit Plan, and that the County is required to provide the specified benefits during the term of this MOU regardless of the level of contribution by the County and its

employees.

3. The County will provide a vision care component for employees and their dependents that are enrolled in a County Health/Dental Plan.
4. The County agrees to provide an IRC 125 Plan for employees covered by this MOU who are in a County sponsored health plan for the sole purpose of providing for employee paid health plan contributions to be paid through the IRC 125 account.

F. Continuation of Health/Dental Plan - Military Call-Up

An employee who is a member of the United States Reserve Armed Forces or the National Guard and is called to or volunteers for active military duty in response to a call-up by the President of the United States as provided for by law, shall continue to be eligible for coverage under the applicable health/dental plan, notwithstanding the employee's absence due to the call-up or ineligibility due to such absence. Coverage shall continue for a period up to one (1) year from the date the employee commences an approved military leave of absence, or until the employee returns from active duty, whichever occurs first. Such continuation of coverage is contingent upon being allowed under the respective health care plan of the employee.

The County shall continue the same level of its contributions for the employee absent on military leave and that employee's dependents as would apply to other employees in the same classification and bargaining unit. The employee will be responsible for any contribution toward dependent coverage specified in the MOU. Pursuant to these provisions, the employee absent on military leave shall not be required to use accumulated paid leave in order to be eligible for continuation of coverage and the county's contribution to the health/dental plan.

Prior to being considered eligible for continued coverage under these provisions an employee shall be required to provide documentary evidence, satisfactory to the County, of the employee's active duty status and shall also be required to notify the County in writing within ten (10) days of the employee's return to inactive duty status. Upon the employee's discharge from active duty status, the standard provisions of Article 8 of this MOU shall apply with full force and effect.

G. Patient Protection and Affordable Care Act

The parties acknowledge that the Federal Patient Protection and Affordable Care Act ("PPACA"), its current and future related regulations and California law developed in response to the PPACA may create new requirements for the County during the term of this Agreement. The County will comply with these new statutory and regulatory requirements to the best of its ability. The parties acknowledge that compliance with these requirements is mandatory and therefore not subject to

meet and confer.

Section 2. Life Insurance

The County shall provide a \$40,000 Group Life Insurance Plan for each employee who is regularly scheduled to work at least sixty (60) hours per pay period. Accidental Death and Dismemberment coverage is included in this Plan.

The County has the non-appealable right to increase the group term life insurance plan and AD&D coverage amounts for classifications covered by this MOU.

Section 3. Long Term Disability

The County shall provide a Long Term Disability (LTD) Insurance Plan with a maximum LTD benefit to \$3,000/month for eligible employees.

Section 4. State Disability Insurance

The County shall allow employees to integrate their sick leave and/or vacation benefits with their SDI coverage to provide up to one-hundred percent (100%) of the employee gross base salary. The individual employee shall pay the cost of SDI.

Section 5. Injury or Illness Leave Time

The County and Association agree to the following in regard to “leave time” associated with employee injury and illness:

- A. When an employee is off work due to an illness or injury, the County will work with the Association to offer a plan that allows for crediting of service time to the extent possible under the law and CalPERS rules. The parties understand that employee use of their accrued time, i.e., sick leave, vacation, etc., counts as service credits for CalPERS purposes.
- B. Family Medical Leave Act (FMLA) and California Family Medical Rights Act (CFRA) leave shall begin to count towards an employee’s twelve (12) week entitlement from the first day of the FMLA/CFRA qualifying event, with notice to the employee. All terms and conditions of the FMLA/CFRA shall apply.
- C. Employees off work due to a medical leave of absence shall be required to use accumulated sick leave, which may include being integrated with SDI, LTD, Worker’s Compensation, etc., if necessary, before going on any other County paid or unpaid leave. Employees may elect to “bank” up to eighty (80) hours of their sick leave for use upon their return to work.
- D. Employees will be allowed to use accumulated vacation, CTO, etc., during a medical leave. For employees who are off work and who are both eligible for

and designated a benefits-protected leave under State or Federal law such as FMLA/CFRA, the County will continue its health insurance contribution, as defined in Article 8, Section 1, on the employee's behalf (employees will be responsible for their portion), for the duration of the designation or up to the time of the employee's separation from County service, whichever occurs first.

An employee who is receiving less than their scheduled hours as stated above and who ceases to be eligible for County contributions must pay directly to the Department of Human Resources the full amount of the employee and County contribution, as prorated below, in order to retain benefit coverage under the County sponsored health/dental/vision benefit plans.

Hours in Paid Status	Employer Portion Paid by Employee
64-80	No charge to the employee
40->64	25% of Employer Contribution
32->40	50% of Employer Contribution
Less than 32	100% of Employer Contribution

- E. The County will conduct periodic assessments of the status of an employee on medical leave. Assessments will be conducted at thirty (30) days of leave (or ninety (90) days of limited duty) and at least every ninety (90) days thereafter. The employee will be provided with the opportunity to provide input into the assessment.
- F. At any point the medical condition of an employee appears to be permanent, long term, of uncertain duration or likely to preclude the employee's ability to return to work, the County will move to separate the employee and, if appropriate, make application to CalPERS for a disability retirement on behalf of the employee who is eligible for a CalPERS disability retirement. If an employee is not eligible for CalPERS retirement, then the County will move to refer the employee to LTD. Notwithstanding Article 9, Section 3.F., payment for unused sick leave, employees medically separated under disability retirement shall be paid all of their unused accrued sick leave. If an employee is denied disability under CalPERS or LTD, the employee will return to work.
- G. The County and Association agree to encourage employees on medical leaves to return to work as soon as possible in a "light duty or "modified duty" capacity if possible.

Section 6. Employee Assistance Program

The County agrees to maintain the Employee Assistance Program for employees in the bargaining unit.

Section 7. Retirement Issues

A. CalPERS Retirement Formula

Determination of each employee's pension formula will be administered as required by CalPERS.

2. Pursuant to the Letter of Agreement dated September 1, 2015, County contributions toward retiree health were discontinued for bargaining unit members hired on or after January 1, 2009. However, members hired into an allocated position (excluding extra help and provisional) on or after January 1, 2009, may continue to participate in the County-sponsored retiree health plan options at their own cost provided they meet the criteria specified in the plan.

ARTICLE 10. PERSONNEL PRACTICES

Section 1. Probationary Periods

A. Duration

Probationary periods are considered as a continuation of the selection process and apply to all initial appointments, promotions, employee initiated lateral transfers to a different position and as provided in Article 10, Section 1.B.1., below. Nothing herein is intended to create a "For Cause Standard" for release during a probationary period. Civil Service Status (permanent status) shall attach only when a regular employee successfully completes the probationary period for the specific classification during their initial appointment. Nothing herein is intended to prevent the County from extending a probationary period one time for six (6) additional months to ensure an employee has demonstrated all of the necessary skills and traits to successfully pass probation for the job classification. The County must provide the employee written notice that the employee's probationary period will be extended at least seven calendar days before the employee's probationary period expires.

1. Employees in the Association's bargaining unit shall have an initial new-hire probationary period of twenty-six (26) biweekly pay periods.
2. Employees promoted into classifications in the Association's bargaining unit shall have a probationary period of twenty-six (26) biweekly pay periods.
3. Leaves of absences, paid or unpaid, leaves granted under the Family Medical Leave Act, California Family Rights Act, Pregnancy Disability Leave, Americans with Disabilities Act, Workers' Compensation Laws, or other legally mandated leaves, and light duty, transitional duty or modified duty assignments that are not considered significantly within the job functions of the job classification or job assignment shall not count towards completion of the probationary period, as provided by law. Individual probationary periods shall be extended commensurately by each hour under these circumstances.
4. Time worked by an employee in a temporary, provisional, extra-help, or other employment shall not count toward completion of any probationary period.
5. An employee who is not rejected prior to completion of the prescribed probationary period, unless extended per the provision herein shall acquire permanent status automatically.

B. Status of Employee

1. Probationary Period Required

A probationary period is required in the following circumstances: upon initial appointment to a position in a class in the classified service; upon promotion to a position in a class in the classified service; upon voluntary demotion or transfer to a position in a different class series in which the employee has not previously achieved civil service status unless a appointing authority and employee agree to waive or reduce the probationary period; upon displacement to a classification in a different class series where the employee has not completed probation at the lower level; upon displacement resulting from layoff or release from probation after promotion where total time in the higher and lower level classes is less than the required probationary period at the lower level; upon transfer to a position in the same classification in a different department when the employee has not attained permanent status in the class, except that the total time in the probationary period in the class shall not exceed one year; upon reclassification to a class at the same or higher salary range unless waived by the appointing authority; in any other circumstance not specifically excluded in B.2.

2. Probationary Period Not Required

A probationary period shall not be required upon involuntary demotion; upon displacement resulting from layoff, or release from probation after promotion where time in higher and lower level classes satisfies the required probationary period at the lower level; upon reclassification from a DPO field or institution classification to a commensurate level DPO-A classification where the total time worked by the employee in both the commensurate level DPO and DPO-A classifications satisfies the required probationary period; upon voluntary demotion to a position in a class in the same class series when the employee has completed the required probationary period in a higher level class; upon promotion to the higher classification(s) in established flexibly-staffed positions in the personnel allocation list, provided the employee has completed the probationary period in the lower classification. If the employee has not completed the probationary period in the lower classification, or commensurate DPO-A level classification, the probationary period will continue until the employee has worked the required number of pay periods in the position, upon transfer to a position in the same (or commensurate-level DPO-A) class in the same department; upon transfer of the employee to a position in the same class in a different department when the employee has previously achieved permanent status in the class except where the appointing authority and employee concur on a probationary period not to exceed thirteen (13) pay periods; upon restoration resulting from a layoff to their former position or lower position in their class series where the employee had completed a probationary period; upon reclassification to a classification in which the incumbent is Y-rated.

C. Laid-Off Employees

An employee with permanent status who is laid off and subsequently reinstated to their former position or lower position in their class series shall not serve a new

probationary period. Laid off employees hired into other County position from which they were not specifically laid off shall serve a new probationary period. Former probationary employees who were laid off and subsequently reemployed shall serve a complete new probationary period upon rehire.

D. Rejection during Initial Probation

The appointing authority may terminate (reject) a probationary employee at any time during the probationary period without the right of appeal in any manner and without recourse to either the Grievance or Appeal Procedure; except when the employee alleges and substantiates in writing that the termination was due to political or religious or Association activities, race, color, national origin, sex, age, handicap or sexual orientation, or otherwise provided by law. Appeals on this basis shall be processed through the County's Discrimination Complaint Procedure. The appointing authority shall notify the employee in writing that he/she is rejected during probation. No reasons for the action are necessary.

E. Rejection during Secondary Probation

Should an employee who has been promoted fail to satisfactorily complete his/her probationary period, such employee may elect to return to a position in the classification in the department from which the employee was promoted. If the employee held permanent status in such former classification, the employee shall not be required to serve a new probationary period. The employee's step and anniversary date shall be restored to their pre-promotion status.

Notwithstanding any other provisions, an employee rejected during the probationary period from a position in the County service to which the employee had been promoted, shall be restored to a position in the classification in the department from which the employee was promoted.

F. At the beginning of all probationary periods, the employee will receive a written statement of expectations signed by the supervisor and the employee. The supervisor shall retain the copy signed by the employee and provide a copy to the employee.

Not less than monthly the supervisor shall meet with the employee to review the employee's progress toward meeting the supervisor's expectations. The supervisor shall provide the employee with a written summary of the meeting.

The employee will acknowledge receipt of the summary of his/her progress by signing a copy of the summary. The supervisor will retain the copy signed by the employee.

The employee shall be considered to have met expectations in any month in which the supervisor does not meet with the employee and provide the employee with a

written summary of his/her progress.

All written summaries, containing the employee's acknowledgment of receipt, shall be submitted to Human Resources with the appropriate forms for successful completion of probation or of the employee's failure to complete the probationary period.

Section 2. Documentation of Performance Evaluation

Non-probationary employees who have not yet reached the top step of their salary range shall be evaluated approximately thirty (30) days prior to the date that their next merit increase is due. Non-probationary employees who are at the top step of their salary range shall be evaluated annually on or about the anniversary date of their appointment to their current position. Nothing in this Section is intended to preclude the County from evaluating employees on a more frequent basis.

Good performance is to be acknowledged by use of letters of commendation and/or recognition which are submitted to Human Resources for inclusion in employees' personnel files. Letters of commendation and/or recognition from outside the department are to be forwarded to Human Resources with a copy to the department for inclusion in the employee's personnel file. Neither the contents of an employees' performance evaluation nor failure to provide letters of commendation and/or recognition are grievable or appealable. However, an employee may submit a written response to a performance evaluation which shall be attached to and permanently filed with the performance evaluation.

Performance or issues which need improvement are to be documented by memorandum, e.g., letters of warning or counseling, reprimands, etc.

The Association agrees to adopt the current electronic Employee Performance Evaluation forms and process for documenting performance as noted in the MOU.

Section 3. Drug Free Work Place

The County and the Association agree that they are committed to providing and maintaining a drug free work place in accordance with the Drug Free Work Place Act of 1988. It is understood that the unlawful manufacture, distribution, dispensing, possession or use of drugs and/or alcohol is prohibited in the work place and that violation of this provision would subject the employee to disciplinary action. An employee may possess a prescription medication lawfully obtained via a prescription from a licensed medical doctor. The County has a zero tolerance standard for employees being under the influence of or in possession of alcohol and/or drugs while at work. Reasonable effort will be made to inform employees about the dangers of drug abuse in the work place, the availability of any counseling or rehabilitation, as well as

the Employee Assistance Program, and that disciplinary action may be imposed upon employees for drug abuse violations occurring in the work place or affecting work performance. The Parties shall discuss the adoption of a reasonable suspicion drug testing policy during the term of this MOU.

Section 4. Closure of County Buildings Policy

The CAO or designee shall determine when County facilities shall be temporarily closed in an emergency as determined by the CAO.

- A. Any and all twenty-four (24) hour, seven (7) days a week facilities and/or operations are exempt from Article 10, Section 4.
- B. Employees whose buildings have been temporarily closed may be reassigned to work sites in the same geographic area.
- C. Employees scheduled to work, but who are directed not report to work or who are sent home from work due to the closure of their work site due to an emergency, shall receive their regular pay for that scheduled shift. An employee shall not receive regular pay if the employee does not report to work due to circumstances when there has not been a County directive closing the employee's work site.
- D. After the first day of closure of a County building, if the County is unable to reopen a work site, or is unable to obtain an alternative work site in the same geographical area, an employee will be compensated for that day(s) as if it were a holiday.
- E. During a temporary closure of County buildings as determined by the CAO, those employees who are still required to work as part of our essential services, as defined by the CAO, will receive premium compensation at time and one-half the employee's base hourly rate of pay for those hours actually worked during designated closure.
- F. Those employees who are on scheduled vacation, CTO, sick leave, or any other paid leave during a designated closure would not be affected by the closure.
- G. Should the closure of a County facility last longer than five (5) working days the County reserves the right to reassign employees outside their geographical area. In the event of reassignment outside the employee's geographical area, the employee may at the employee's request utilize accumulated vacation, and/or CTO in lieu of reassignment unless the CAO makes a finding that the employee's services are essential to the continued operation of the County.
- H. Geographical area is generally defined as:

1. Tahoe Basin

2. Western Slope

Section 5. Appeals of Disciplinary Actions

An employee in this Unit, having obtained permanent status in the County's Civil Service System, shall have the right to appeal a termination, demotion in class or salary step, or suspension without pay. Such appeal shall be in accordance with the provisions of the County Personnel Rules.

Section 6. Hepatitis B Inoculations

The County shall provide Hepatitis B inoculations to all members of the bargaining unit.

ARTICLE 11. REDUCTION IN FORCE

The following Reduction in Force policy is hereby included as a part of this MOU. Such inclusion, however, shall not provide avenues of appeal beyond those contained in this Article.

Section 1. Policy

The Board of Supervisors may reduce the size of the County's workforce for any lawful reason that it determines is in the best interests of the County. The Board may direct (1) a temporary layoff of up to ten (10) working days of specific employees or classifications without invoking the provisions of this Article, or (2) a specific layoff by classification, number of employees and department(s) pursuant to this Article.

Section 2. Procedure for Permanent Layoffs

Reduction in Force occurs when the Board of Supervisors by Resolution amends the Authorized Personnel Allocation Resolution and/or adopts a Proposed or Final Budget that deletes specific positions by classification from a department.

A. The Department of Human Resources, with the assistance of the affected department, determines the individuals to be laid off for the initial classification in which a layoff is to occur and for succeeding lower level classification(s) if displacement by demoting in lieu of layoff is anticipated in accordance with this Article based on employee retention points. A list of the classifications in which

positions have been deleted along with the names and total retention points of employees in those classes shall be posted in the affected department and a copy mailed to the Association's current address. It is the appointing authority's responsibility to ensure posting.

- B. Layoffs and displacements are made within the department involved and are not Countywide.
- C. Written notice of layoff shall be served on affected employees in person or by USPS Priority mail sent to the last address on file with the Department of Human Resources. Notice will be served or mailed no later than thirty (30) calendar days prior to the effective date of separation. The thirty (30) calendar days shall include the effective date and the date served. Notice shall be deemed served upon the proof of service.
- D. The written layoff notice shall include the effective date of the separation (layoff), the reasons for the layoff, displacement rights, if any, rehire or restoration rights and the appeal rights. Such notice shall also set a specific deadline of not less than five (5) working days for when the affected employee must notify the Department of Human Resources that they will be exercising their displacement rights.

Section 3. Order of Layoffs

Layoffs will be determined based on an inverse order of retention points computed as per provisions listed below by the classification within the individual department. Any required reduction in the number of employees shall be in the following order within the same classification:

- (1) Extra-help and provisional/limited term,
- (2) Probationary employees serving an initial probation period,
- (3) Regular (civil service status) part-time and full-time employees.

A. Longevity

A full-time employee shall receive one (1) point for each full month of continuous service as a regular County employee in the employee's classification. Time spent in other classifications which the employee occupied within the prior three (3) years and which are at the same or higher rate of pay based upon the current salary plan applicable at the time of the layoff shall be included in the service time in the affected class. This includes probationary time.

Part-time employees shall receive a proportional amount of retention points based upon the number of hours worked. Less than a full month of service shall be prorated.

It does not include service prior to employment, interruptions caused by resignation, dismissal, or transfer to extra-help status or disciplinary actions as defined in 2 below. It does include periods covered by authorized leaves of absences and such service accrued before a previous layoff.

B. Performance/Disciplinary Actions

1. An employee who receives an involuntary demotion as a disciplinary action will have twelve (12) points deducted from that employee's retention points if the administrative disciplinary appeal is completed or waived.
2. An employee who receives a suspension will have one (1) point per day of suspension deducted from the employee's retention points, with a maximum deduction of twelve (12) points if the administrative disciplinary appeal is completed or waived.

C. Flexibly-Staffed Classes - Classes which are budgeted as flexibly-staffed classes (e.g. Office Assistant I/II), as stated in the Personnel Allocation Resolution, shall be treated as one class for purposes of determining retention points.

D. Out of Class Assignments - Out-of-class time will not be credited towards the out-of-class position in which the employee served. Out-of-class time will be considered as continuous service in the employee's regular classification.

E. Ties - In cases where two or more employees are tied with the same number of retention points, the following factors shall be considered in order for the purpose of breaking the tie: total County service (including County service prior to the most current period of employment); discipline actions; appointing authority or designee determination. Letters of reprimand will be considered as a tie breaking criteria for up to three (3) years from the date of issuance.

F. Volunteers for Layoff - An employee who occupies a position within a class within a department affected by a layoff and/or displacement may volunteer to be laid off in place of another employee who has fewer retention points and who would otherwise be laid off. Such employee shall be entitled to the same rights and restoration privileges as other employees in accordance with this Article.

Section 4. Layoff Privileges

The following are the options open to affected individuals in each layoff instance:

A. Displacing in a Lower Class

An employee affected by layoff may, at the employee's discretion, in lieu of layoff,

displace an employee in a class previously held by the employee or in succeeding lower classes in the class series who has less retention points. Retention point computation for displacement purposes are made as determined for the original layoff. This is considered a voluntary demotion.

B. Restoration

Restoration shall be in inverse order of layoff. Names of employees with regular civil service status who have been laid off will be placed on an appropriate restoration list for their classification and department in order of Retention Points. The list will extend for a period of two (2) years. Employees shall also have restoration rights to a classification which has been replaced by a reclassification of the classification which the person previously had permanent status, provided that the duties have remained essentially the same. This list shall be maintained in the Department of Human Resources.

1. Three (3) refusals to accept restoration from a departmental layoff list will remove the eligible individual's name from that list unless the offer of restoration is in excess of twenty five (25) miles from the geographical location of the position from which the employee was laid off.
2. A person notified of an offer of restoration must respond within ten (10) working days from the proof of service date. Offers of reemployment shall be sent by USPS Priority mail to the last address on file in the Department of Human Resources. It is the employee's responsibility to ensure that a current address is provided to Human Resources.

C. Transfer and Demotion

Employees to be laid off may be permitted to transfer or demote at the discretion of the appropriate appointing authority(ies) prior to the layoff effective date. Transfer or demotion may be made to any funded vacant position where the employee meets the minimum qualifications. However, transfer will not be permitted to a position in another County department if a departmental layoff list exists for that class. When an employee transfers or demotes in accord with provisions of this Article and is required by the appointing authority to complete a new probationary period, which results in his rejection during probation, the employee shall not be required to forfeit their status on any layoff list.

D. Placement in Other Departments

In accordance with rules on order of layoff, an employee who shall be laid off shall have a right to be placed in a vacant position in the same class in another department which the department has determined to fill. Referral to vacant positions shall be offered based upon the inverse order of layoff. The new appointing authority shall have up to six (6) months to evaluate the employee's

performance. If the appointing authority determines that the employee's performance does not meet job standards, the employee will be returned to the layoff list. The employee will, in accordance with the rules on restoration, be eligible for placement in another vacant position in the same class which a department has determined to fill, according to the provisions above.

E. Separation from County Service

Employees who are to be laid off have the option of leaving County service rather than displacing in a lower class, transferring or demoting. In the event an employee is laid off for an indefinite period, the employee may, upon request, receive payment for those benefits normally given to terminated employees.

F. Employment Interviews

Appointing authorities that are referred the names of individuals designated for layoff and who have requested transfers shall ensure that such persons are provided an employment interview.

G. Status on Restoration

An employee who has been laid off or voluntarily reduced under the provisions of this Article and subsequently restored in their former classification within a two (2) year period from the date of his/her layoff or voluntary reduction shall receive the following considerations and benefits:

1. All sick leave credited to the employee's account when laid off shall be restored, unless the employee received compensation for such sick leave at the time of the layoff.
2. All Retention Points held upon layoff shall be restored.
3. All prior service shall be credited for the purpose of determining sick leave and vacation earning rates, longevity pay increases, and time in step.
4. The employee shall be placed on the step of the salary range that was held at the time of the layoff.

H. Meet and Confer - Prior to the actual layoffs, the County's representatives and the Association shall, at the request of the Association, meet and confer over the practical effects of the proposed layoffs.

Section 5. Deviation from Retention Points

The Board of Supervisors may approve deviations from the order of layoff by retention

points or demotions in lieu of layoff (bumping) when retention points order alone would result in retaining employees unable to maintain a satisfactory level of performance in the department affected. In such cases, the appointing authority shall fully justify and document in writing no later than two (2) weeks prior to submittal to the Board with the reasons therefore. The affected employees shall be provided a written notice of the department's request, reasons therefore, and the date the Board of Supervisors shall consider the department's request.

Section 6. Appeal of Layoff

A. Right of Appeal

1. Regular civil service employees receiving a notice of layoff shall have the right to appeal only whether or not there was compliance with the procedures prescribed in this Article.
2. The right of appeal is limited to the scope and process provided in this section, "Appeal of Layoff".
3. The scope of any appeal shall not include such issues as the need for layoff, the reasons for layoff, or the exercise of other County prerogatives involved in layoff.

2. The Director of Human Resources or designee shall within three (3) working

days of receipt of an appeal, determine which employees, if any, will be adversely affected if the appeal is successful. Human Resources will notify all employees potentially adversely affected of the appeal within five (5) working days of receipt of the successful appeal.

A tripartite Layoff Arbitration Panel shall be appointed to hear all appeals having the same effective date for layoff.

1. Appeals shall be heard by a tripartite panel consisting of:
 - a. A representative designated by the Director of Human Resources or designee.
 - b. A representative designated by the Association.
 - c. A neutral member selected in accordance with paragraph D.2.
2. The neutral Layoff Arbitration Panel member shall be chosen by:

- a. If either or both party fails to name a representative who can meet within the time limit the CSC Chair shall name a member(s) of the CSC to serve as a second and if necessary third neutral in lieu of the failure of either or both parties to provide an available representative.
- b. If the Civil Service Commissioner(s) designated, or the alternate, cannot serve within the time limit, the Chair shall designate another Civil Service Commissioner(s) who can serve within the time limit.

E. Hearing Process

2. The neutral member shall serve as Chair of the Layoff Arbitration Panel.
3. The hearing shall be conducted in accordance with standard administrative hearing procedures used by the Civil Service Commission.

The immediate supervisor shall respond informally within seven (7) working days.
- B. Formal Grievance Steps - The formal grievance procedure shall consist of the following steps, each of which must be completed prior to any request for further

Immediate Supervisor - A grievant and representative may formally submit a grievance to the immediate supervisor within seven (7) working days from the date of the immediate supervisor's informal decision or if the informal discussion has not taken place fifteen (15) working days from the date of the incident or occurrence giving rise to the complaint. ARTICLE 13. PEACEFUL PERFORMANCE CLAUSE

The parties to this MOU recognize and acknowledge that the services performed by the County employees covered by this Agreement are essential to the public health, safety, and general welfare of the residents of the County of El Dorado. The Association agrees that under no circumstances will the Association recommend, encourage, cause or permit its members to initiate, participate in, nor will any member of the bargaining unit take part in any strike, sit-down, stay-in, sick-out, slowdown or picketing (hereinafter collectively referred to as work stoppage) in any office or department of the County, nor to curtail any work or restrict any production, or interfere with any operation of the County. Nor will this organization recognize the strike or job action of any organization or engage in any sympathy strike by recognizing the strike, job action or picket lines of any other organization. In the event of any such work stoppage by any member of the bargaining unit, the County shall not be required to negotiate on the merits of any dispute which may have given rise to such work stoppage until said work stoppage has ceased.

In the event of any work stoppage, during the term of this MOU, whether by the Association or by any member of the bargaining unit, the Association by its officers, shall immediately declare in writing and publicize that such work stoppage is illegal and unauthorized, and further direct its members in writing to cease the said conduct and resume work. Copies of such written notice shall be served upon the County. In the event of any work stoppage the Association had not otherwise authorized, permitted or encouraged such work stoppage, the Association shall not be liable for any damages caused by the violation of this provision. However, the County shall have the right to discipline, to include discharge, any employee who instigates, participates in, or gives leadership to, any work stoppage activity herein prohibited, and the County shall have the right to seek full legal redress, including damages, as against any such employee.

Section 1. Job Sick-Outs – Variance from Personnel Rule 1604

Whenever the CAO or designee determines that an increase in absenteeism due to a job action or sick out is significantly and detrimentally affecting the ability of one or more departments to carry out their functions he/she may declare that this Section shall be in force and the following rules shall apply. These requirements shall stay in effect for all purposes until after the CAO determines that the increased incidence of absenteeism and the threat of such increased incidence of absenteeism have abated.

- A. The appointing authorities of the departments specified in the CAO declaration shall require that each employee who is unable to report for duty due to illness or injury that is requesting sick leave shall provide a certificate completed and signed by a licensed physician or other qualified medical professional. This certificate shall show that the physician examined the employee during the period of absence from work, state the date of each examination, describe the physician's diagnosis of the employee's illness or nature and extent of the employee's injury and certify that the physician has recommended that the employee be excused from work for medical reasons, and the specific number of days of the recommended excuse. Such

medical verification shall be provided to the appointing authority within three (3) working days of the employee's return to work.

- B. The employee shall also provide a sworn affidavit justifying their claim of sick leave. Such affidavit shall be provided to the employee by the appointing authority upon their return to work. Each request for sick leave time will be evaluated individually at the time the required documentation is received.
- C. An employee shall not be allowed sick leave credit and shall not be compensated for any period of absence unless it has complied with the requirements of this policy and unless the information provided therein and otherwise required of or provided by the employee is deemed to substantiate the claimed illness or injury. The employee may appeal a denial of sick leave through the County's Grievance Procedure.
- D. It is recognized that the facts which constitute the basis for use of sick leave may vary considerably from employee to employee and that in rare instances, the specific requirements of this rule may not be appropriate or feasible. Accordingly, discretionary variances, (but not waivers from the requirements of these rules) may be considered and allowed by the CAO or designee. Any such variance shall, if feasible, provide for an acceptable alternative means by which the employee involved shall provide assurance of the existence of facts which are adequate as a basis for proper use of sick leave.

ARTICLE 14. FULL UNDERSTANDING, MODIFICATION, WAIVER

This MOU sets forth the full and entire understanding regarding the matters set forth herein, and any other prior or existing understandings or agreements relating to such matters are hereby superseded or terminated as appropriate except as expressly provided in this MOU. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right to negotiate, and agrees that the other party shall not be required to negotiate, with respect to any matter covered herein during the term of this MOU.

The Parties expressly agree that their side letter dated June 25, 2019 concerning the closure of the Placerville Juvenile Detention Facility remains enforceable until July 1, 2023, the agreed upon termination date of that side letter.

No agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall in any manner be binding upon the parties, unless made and executed in writing by all the parties hereto, and if required, approved and implemented by the County.

ARTICLE 15. SEVERABILITY

If any provisions of this MOU are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

ARTICLE 16. ECONOMIC HARDSHIP REOPENER

At any time after the effective date of this MOU upon 30 calendar days written notice to the Association, the County may reopen this agreement for renegotiation of economic issues if a financial shortfall in the County budget has occurred that caused the Board of Supervisors to actually reopen negotiations with other employee groups with negotiated MOUs or adopted Salary and Benefit Resolution, except with respect to any salaries governed by Section 504 of the County Charter. Any notice provided subject to this section must include evidence demonstrating the basis for the claim of financial hardship.

At any time after the effective date of this MOU, either party may request to meet and confer over the economic status of the County and the impact on the members of the bargaining unit.

In witness whereof, the parties hereto have caused this Memorandum of Understanding to be executed by affixing their signatures below.
