EL DORADO COUNTY IMPLEMENTING TEMPORARY TRAFFIC CONTROLS ON EAST SAN BERNARDINO AVENUE

El Dorado County's Department of Transportation, in conjunction with MKD Construction, will be implementing a temporary daytime closure to through traffic along East San Bernardino Avenue between San Diego Street and Apache Avenue in order to pave the southbound lane. Work will start on Tuesday, October 1, 2024 continuing through Thursday, October 3, 2024. Work will take place from 8:00 a.m. to 5:00 p.m. to expedite completion of the work.

Motorists should be aware of large trucks entering or exiting the roadway and should follow the direction of any flaggers or traffic controls when present. Traffic will be detoured from San Diego Street to Arrowhead Avenue to Sioux Street to Apache Avenue.

Motorists are advised to slow down through the work zone and expect delays during construction. Motorists are also advised to allow extra time when traveling through the work zone in order to arrive at their destinations on time or use alternate routes to avoid the construction area.

The County sincerely appreciates the cooperation and patience of motorists that use this roadway and we apologize for any inconvenience as a result of the work. For questions regarding this construction, please contact Donaldo Palaroan at (530) 573-7920.
