Building Services**

POLICY

*A department policy is based on an interpretation of a code provision
and is subject to change based on new information.*

UNDERFLOOR INSULATION INSPECTION

El Dorado County Building Services will not require a separate inspection for underfloor insulation on R-3 type occupancies. Floor insulation and the insulation certificate will be checked for compliance prior to occupancy approval. The certificate is to be posted in a conspicuous location in the building and a copy provided to Building Services or the inspector at final inspection.
