May 1, 2025

(PLACERVILLE, CA) – El Dorado County's Department of Transportation will be closing Missouri Flat Road overnight at 9:00 PM on May 8, 2025 through 5:00 AM on May 9, 2025 to safely place bridge deck concrete over the roadway as part of the El Dorado Trail Pedestrian Overcrossing Project. The road closure limits extend between Golden Center Drive and Old Depot Road. Changeable message signs will be posted with this information one (1) week in advance of the closure. During this closure, a detour will be provided on Forni Road and Enterprise Drive as shown on the map below.

The road closure is necessary to ensure motorist and worker safety during bridge construction. The County appreciates the cooperation and patience of motorists that use this roadway, and we apologize for any inconvenience as a result of this work. There may be continued temporary shoulder and lane closures between Forni Road and Old Depot Road while the contractor completes the project.

For questions regarding this road closure, please contact the County's Transportation main line at (530) 621-5900 (select Option 3 for Engineering).
