DRAFT ENVIRONMENTAL IMPACT REPORT FOR THE  
U.S. HIGHWAY 50/MISSOURI FLAT ROAD INTERCHANGE PROJECT

DRAFT ENVIRONMENTAL ASSESSMENT FOR THE  
U.S. HIGHWAY 50/MISSOURI FLAT ROAD INTERCHANGE PROJECT

Abstract

This joint document has been prepared by the Federal Highway Administration and the El Dorado County Department of Transportation for the U.S. Highway 50/Missouri Flat Road interchange project to comply with the requirements of the National Environmental Policy Act and the California Environmental Quality Act. This project is intended to increase the interchange capacity to solve existing operational deficiencies and to accommodate traffic associated with planned growth in El Dorado County and to address safety problems associated with the interchange. See Tables S.4-1 through S.4-4 for a summary of environmental, social, and economic impacts. Forward comments on this joint document by February 5, 2004 to:
