To Whom It May Concern:

The Tahoe Engineering Unit of the County of El Dorado Department of Transportation invites you to attend a public meeting for the Evaluating Alternatives Phase of the Oflying Water Quality Project (Project). The Tahoe Engineering Unit has gathered and analyzed existing conditions information and developed and compared alternatives for the Project. The results of this study have been combined into a Draft Feasibility Report. The purpose of this meeting is to present this information for public comment. Following this meeting, the analysis will be further refined.
