State of California - Department of Fish and Wildlife
2017 ENVIRONMENTAL FILING FEE CASH RECEIPT
 DFW 753.5a (Rev. 01/01/17) Previously DFG 753.5a

NOTICE

Each project applicant shall remit to the county clerk the environmental filing fee before or at the time of filing a Notice of Determination (Pub. Resources Code, § 21152; Fish & G. Code, § 711.4, subdivision (d); Cal. Code Regs., tit. 14, § 753.5). Without the appropriate fee, statutory or categorical exemption, or a valid No Effect Determination issued by the California Department of Fish and Wildlife (CDFW), the Notice of Determination is not operative, vested, or final, and shall not be accepted by the county clerk.

COUNTY DOCUMENTARY HANDLING FEE

The county clerk may charge a documentary handling fee of fifty dollars (\$50) per filing in addition to the environmental filing fee (Fish & G. Code, § 711.4, subd. (e); Cal. Code Regs., tit. 14, § 753.5, subd. (g)(1)). A county board of supervisors shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied (Gov. Code, § 54985, subd. (a)).

COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS

Filing Notice of Determination (NOD):

- Collect environmental filing fee or copy of previously issued cash receipt. *(Do not collect fee if project applicant presents a No Effect Determination signed by CDFW. An additional fee is required for each separate environmental document. An addendum is not considered a separate environmental document. Checks should be made payable to the county.)*
- Issue cash receipt to project applicant.
- Attach copy of cash receipt and, if applicable, previously issued cash receipt, to NOD.

If the project applicant presents a **No Effect Determination** signed by CDFW, also:

- Attach No Effect Determination to NOD *(no environmental filing fee is due)*.

Filing Notice of Exemption (NOE) (Statutorily or categorically exempt project (Cal. Code Regs., tit. 14, §§ 15260-15285, 15300-15333))

- Issue cash receipt to project applicant.
- Attach copy of cash receipt to NOE *(no environmental filing fee is due)*.

Within 30 days after the end of each month in which the environmental filing fees are collected, each county shall summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer. Identify the remittance on Form No. CA25 as "Environmental Document Filing Fees" per Fish and Game Code section 711.4.

The county clerk shall mail the following documents to CDFW on a monthly basis:

- ✓ A photocopy of the monthly State of California Form No. CA25 (TC31)
- ✓ CDFW/ASB copies of all cash receipts (including all voided receipts)
- ✓ A copy of all CDFW No Effect Determinations filed in lieu of fee payment
- ✓ A copy of all NODs filed with the county during the preceding month
- ✓ A list of the name, address and telephone number of all project applicants for which an NOD has been filed. If this information is contained on the cash receipt filed with CDFW under California Code of Regulations, title 14, section 753.5, subdivision (e)(6), no additional information is required.

DOCUMENT RETENTION

The county shall retain two copies of the cash receipt (for lead agency and county clerk) and a copy of all documents described above for at least 12 months.

RECEIPT NUMBER

- # The first two digits automatically populate by making the appropriate selection in the County/State Agency of Filing drop down menu.
- # The next eight digits automatically populate when a date is entered.
- # The last three digits correspond with the sequential order of issuance for each calendar year. For example, the first receipt number issued on January 1 should end in 001. If a county issued 252 receipts for the year ending on December 31, the last receipt number should end in 252. CDFW recommends that counties and state agencies 1) save a local copy of this form, and 2) track receipt numbers on a spreadsheet tabbed by month to ensure accuracy.

DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND WILDLIFE FEES.

CEQA Environmental Document Filing Fees

CDFW imposes and collects a filing fee to defray the costs of managing and protecting California's vast fish and wildlife resources, including, but not limited to, consulting with other public agencies, reviewing environmental documents, recommending mitigation measures, and developing monitoring programs.

CEQA Document	Fees Effective January 1, 2016	Fees Effective January 1, 2017
Negative Declaration (ND)	\$2,210.25	\$2,216.25
Mitigated Negative Declaration (MND)	\$2,210.25	\$2,216.25
Environmental Impact Report (EIR)	\$3,070.00	\$3,078.25
Environmental Document pursuant to a Certified Regulatory Program (CRP)*	\$1,043.75	\$1,046.50
County Clerk Processing Fee**	\$50.00	\$50.00

* CRPs include certain state agency regulatory programs as defined in section 21080.5 of the Public Resources Code and section 15251 of the CEQA Guidelines. Beginning July 1, 2013, CEQA/CRP Filing Fees will no longer apply to the filing of Notices of Decision or Determination for Forest Practice Rules and Timber Harvest Plans (Pub. Resources Code, § 4629.6, added by Stats. 2012, ch. 289, § 3).

** Additional county fees may apply. Please check with your county clerk's office for details.

Annual Fee Adjustments

CDFW is required to adjust the fees annually (Fish & G. Code, § 713). The annual fee adjustments are based on changes in the Implicit Price Deflator for State and Local Government Purchases of Goods and Services, as published by the U.S. Department of Commerce. Annual filing fee adjustments are posted on CDFW's website prior to November 1 of the year before they become effective.

Payment of Fees

The project proponent is responsible for payment of the filing fee (Fish & G. Code, § 711.4). Filing Fees are due at the time a Notice of Determination is filed with the county clerk's office (local lead agency), or with the State Clearinghouse (state lead agency). Fees due for Certified Regulatory Program (<https://www.wildlife.ca.gov/Conservation/CEQA/Procedures/Commission>) notices are due to CDFW directly and before the respective Notice of Decision is filed with the Secretary for Natural Resources.

For more information on filing fees and No Effect Determinations, please refer to California Code of Regulations, title 14, section 753.5 (<https://nrm.dfg.ca.gov/FileHandler.ashx?DocumentID=14965&inline=1>).

Exemptions and No Effect Determinations

The CEQA filing fee will be waived if a project will have no effect (<https://www.wildlife.ca.gov/Conservation/CEQA/NED>) on fish and wildlife (Fish & G. Code, § 711.4, subd. (c)(2)(A)). Additionally, projects that are statutorily or categorically exempt from CEQA are also not subject to the filing fee and do not require a no effect determination (Cal. Code Regs., tit. 14, §§ 15260-15333; Fish & G. Code, § 711.4, subd. (d)(1)). Only CDFW staff is responsible for determining whether a project will qualify for a No Effect Determination and if the CEQA filing fee will be waived.

Instructions for County Clerks

- County Clerk instructions for properly collecting and transmitting CEQA filing fees (<https://www.wildlife.ca.gov/Conservation/CEQA/Fees/County>).

Contact CDFW's CEQA Program: CEQA@wildlife.ca.gov (<mailto:CEQA@wildlife.ca.gov>)

NOTE: CDFW staff cannot make decisions or intercede on CEQA projects under the jurisdiction of another lead agency.
Please address project-specific comments to the project's lead agency.
