## **EL DORADO COUNTY IMPLEMENTING REVERSING TRAFFIC CONTROL ON KOKI LANE IN EL DORADO, CA**

El Dorado County's Department of Transportation, in conjunction with El Dorado Senior Village Apartments I, LP and Doug Veerkamp General Engineering, will be implementing lane closures and reversing traffic control along Koki Lane between Pleasant Valley Road and Crossbill Lane to complete work on the water and sewer lines under the roadway.

*Work is anticipated to start on Monday, March 30, 2026, and continue subsequent weekdays and Saturdays through April. Due to the school's spring break holiday, working hours of 7 a.m. to 7 p.m. will be observed the week of March 30. Subsequent work will take place between 9:30 a.m. and 3 p.m., and between 4 p.m. and 7 p.m. on Mondays, and between 8:30 a.m. and 3 p.m., and between 4 p.m. and 7 p.m. on Tuesdays through Fridays to minimize impacts to school drop off and pick up times. Traffic control may not affect the entire portion of the work area depending on which portion of the roadway is under construction.*

Motorists should be aware of large trucks entering or exiting the roadway and should follow the direction of any flaggers or traffic controls when present. Message boards will be present on both Pleasant Valley Road and Koki Lane, and any changes to the scheduled work will be reflected on-site.

Motorists are advised to slow down through the work zone and expect delays during construction. Motorists are also advised to allow extra time when traveling through the work zone to arrive at their destinations on time or use alternate routes to avoid the construction area.

The County sincerely appreciates the cooperation and patience of motorists that use this roadway, and we apologize for any inconvenience as a result of the work.

For questions regarding this construction, please contact the County's Transportation main line at (530) 621-5900 (select Option 3 for Engineering).
