El Dorado County Grand Jury 2011-2012

California Grand Jury Budgets Case Number GJ-11-005

Reason for Report

This report is informational.

The El Dorado County Grand Jury conducted a study of all 58 county Grand Juries in California to compare budgeting issues.

Background

At the beginning of the fiscal year, the El Dorado County Grand Jury's budget was cut more than half by the Board of Supervisors. By December 2011, the El Dorado County Grand Jury reached that budget, leaving no money for the remaining six months of the fiscal year. The Grand Jury's budget was eventually returned to a more realistic figure.

Similarly, in the 2011-2012 fiscal year, San Benito County stopped paying their Grand Jury, even though their Grand Jury was still within its budget. The Board of Supervisors augmented reimbursements to allow payment for their Grand Jury six months after the stop-payment.
