Simple Tips = Big Improvements

When adding new Users into ImageTrend, please make sure that the **First and Last Name** along with the users **Paramedic/EMT license number** are entered.

When selecting Crew Info in an incident, please confirm that the **medics name** and **license number** are visible.

The screenshot shows the 'Crew Info' window with two crew members listed. The first member is 'Vogan, Clinton (P25356)' and the second is 'Nielsen, Kyle (P28596)'. Both have 'Paramedic' as their level and 'Other Patient Caregiver-At Scene' as their role. Green arrows point to the name and license number fields, with the word 'CORRECT' written in green.

The screenshot shows the 'Crew Info' window with two crew members listed. The first member is 'P46058' and the second is 'P46058'. Both have 'Paramedic' as their level and 'Primary Patient Caregiver-At Scene' as their role. A red arrow points to the license number fields, with the word 'INCORRECT' written in red.

NOTE:

When completing an ePCR, please make sure that the field "Crew Member Completing this Report:" shows the correct crew member completing the report. Do not leave blank.

The screenshot shows the 'Crew Member Completing this Report:' field. The field is empty, and a red exclamation mark icon is visible next to it.
