**Grant Title: please create a title that describes what your grant is requesting**

Veterans Emergency Relief and Stability Program

---

**Grant Request SUMMARY: In 300 words or less please provide a summary that describes the program/project that your organization is requesting funds for.**

---

Through the Veterans Emergency Relief and Stability Program, we seek to expand and enhance vital services to meet the growing needs of our veteran community. Our grant program is to ensure that no veteran in El Dorado County is left behind lifting our fellow veterans from crisis to stability. We assist homebound, homeless and otherwise afflicted vets with mobility devices (scooters, wheelchairs, canes crutches, clothing, blankets and/or temporary shelter) and any household items to enhance their safety and security.

---

<b>Grant Amount Requested</b>	\$ 20000
<b>Geographic Area Served by this Grant</b>	El Dorado County Western Slope

---

**What is the need that your project/program that you are requesting funds for supports?**

---

---

We seek to expand and enhance vital services to veterans to meet the growing needs of our community and to provide housing for the growing homeless veteran population.

In the past year our organization has provided over \$3,500 in direct financial assistance to veterans facing homelessness and utility shut-offs. We have delivered critical resources like food, firewood, wheelchairs, scooters, furniture, medical equipment, transit passes, transportation, tents, bedding, clothing and even provided professional critical plumbing/electrical repairs. Additionally, we have paid for critical dental services, emergency medical treatments, prescriptions, professional licensing fees, and coordinated housing placements.

We have oftened coordinated with other veteran organizations to share in financial assistance due to organizational diminished relief funds.

---

**Please provide information (DATA) demonstrating the need exists for VETERANS in El Dorado County.**

---

---

El Dorado County has one of the largest county veteran populations in California, home to more than 17,000 veterans.

El Dorado County veterans are vulnerable to extreme high cost of living in California. The exorbitant cost of power, property maintenance and fire abatement plus sky rocketing property insurance. Our EDC veterans seeking assistance have limited incomes and can fall through the cracks.

Our mission is rooted in the shared goal of the Dorado County Veteran Services and we have been long-standing pillars of support for El Dorado County's veterans. VFW 10165 is one of the top two most active veteran service organizations in the county.

Over the past several years we have provided direct financial assistance, and shelter, preventing homelessness in some cases. We have paid critical utility bills/preventing shut-offs, offered food, tax relief and assistance to combat predatory entities that target veterans. Many vets had been victims of crime, abuse, robbery, scams or fallen on temporary hard times. Our programs are often the lifeline for many vets and once on their feet some have returned with gratitude and provided help/assistance to other vets paying it forward.

---

**How will this program/project in this grant request address the need described above?**

---

Our program will offer:

- **Emergency Financial Assistance** - Rent, Utilities, Food (work, medical)
- **Home Heating and Plumbing Repairs** - Veterans living in unsafe or substandard housing (not cosmetic or major construction repairs).
- **Job Training and Employment Support** - Certification programs, licensing fees and job placement (not covered via VA programs)
- **Mental Health Services Access** - including referrals to counseling, support groups and crisis intervention (not provided by VA or EDC community health)
- **Substance Abuse Rehabilitation** - for veterans needing treatment and recovery support
- **Medical Aid and Mobility Support** - Urgent healthcare needs (medical/Dental/Aides)
- **Transportation Issues**- Transit passes, Transport to employment, medical/dental appointments, Vehicle Fuel, Emergency repair, & Tires.

---

**How is your organization suited to meet this need?**

**Please describe how organization's mission aligns with the need and the program/project that funding is being requested for.**

---

Our organization is patriotic, and ***charitable***, that works to strengthen comradeship among its members and other Veterans. Our organization *assists* our fellow comrades, veterans and their surviving spouses and orphans. We are proven and remain committed to working with other veterans organizations and El Dorado County Veteran Resource representatives assisting El Dorado County veterans in crisis.

Our organization is charged with putting the interests of our veterans first, and treating our donors as "partners" in this responsibility. There is nothing more important than serving our veteran community and their families.

---

**What is the grant timeline and major milestones of this project?**

**Please remember, if your grant is approved, funding must be spent within a year.**

---

The expenditure of the grant funds will be led by the organization leadership with audits of funds conducted by elected trustees. Our success will be tracked through service logs, follow-up interviews, and coordination with partner agencies. Veterans' outcomes will be monitored to ensure long-term stability and well-being.

We anticipate no issues in spending the full \$20,000 grant with California's high cost of living crisis. Additionally, we will keep grant budgets separate from our (VFW 10165) Relief funds and general funds.

Our goals during the grant period are:

- Preventing homelessness; emergency financial housing assistance for at least 25 veterans.
- Improving living conditions; heating and plumbing repairs for at least 10 veteran households.
- Mental health and rehabilitation services referrals of at least 20 veterans.
- Job training programs; enroll at least 15 veterans.
- Employment assistance; help 10 veterans to secure employment.
- Transportation services; provide access to health, employment and essential services to at least 30 veterans.

---

**What are the measurable objectives of the project/program that you are requesting grant funds for?**

---

Overall desired outcomes of our listed goals:

Meeting or exceeding the number of veterans (desired number of veterans) listed within each goal.

Manage amount allotted to each veteran.

Manage repeat requests to ensure veteran has the capability of long-term stability.

Monitor and inform El Dorado County Veteran Resources of self-referral veteran assistance to ensure veteran meets qualification and their need is verified.

Partnered assistance. Some assistance may require "partnered" assistance. In cases of at-risk veteran, long-term partnered assistance may be required for stability.

---

**How will the objectives be measured?**

---

Goals will be tracked through service logs, follow-up interviews, and coordination with partner agencies. Veterans' outcomes will be monitored to ensure long-term stability and well being.

---

**What is the number of un-duplicated veterans to be served if this grant is funded?** 80

---

**What percentage of your total clientele are veterans?** 100

---

**How will you confirm/show proof of a veteran's status? Please be very specific...this data may be asked for in the final report**

---

1. Through recommendation from the El Dorado County Veteran Resource Office
2. DD214 Honorable
3. El Dorado County Veteran ID Card
4. DoD Identification Card

---

**What is the anticipated impact of the project?**

---

---

Overall an increase in El Dorado County veterans' stability, honoring their service with meaningful, life-changing support.

We will assist veterans fight homelessness, increase living conditions and provide access to mental health, rehabilitation and general health services. Our veterans will have options in job training, licensing and employment assistance.

---

**How will you measure the impact of this project/program?**

---

The number of the EDC Veterans we are able to provide assistance is the leading metric., however the overall measurements are based on the assistance provide.

The impact of our assistance will emphasize independence while maintaining the dignity of the veteran. We will set the veteran up for success so the veteran is not dependant on continued financial assistance.

Service logs, dollar amount of aid along, follow-up interviews and repeat requests will all provide an assessment of our efforts as well as provide a metrics to measure overall projected need in the remaining months of the grant. Our metrics will also provide qualitative information for future budeting in the following years.

---

**Is the project/program you are requesting funds for an ongoing program or project? If so, please describe how funding will be found to continue the project upon completion of this grant cycle.**

**What determines if your program/project continues on in regards to impact?**

---

Veterans Emergency Relief and Stability Program will be a continuing program as long as El Dorado County veterans remain in need and at risk for instability.
