

COUNTY OF EL DORADO, CALIFORNIA

BOARD OF SUPERVISORS POLICY

Subject: GRANTS, ALLOCATIONS, & DONATIONS	Policy Number: A-6	Page Number: 1 of 3
	Date Adopted: 12/22/1987	Last Revised Date: 01/06/2026

I. PURPOSE

The purpose of this policy is to ensure flexibility and efficiency in the application and acceptance of funding for County programs while maintaining the Board of Supervisors' discretion over the acceptance of funding and any related obligations.

This policy does not apply to the activities of non-financial agreements that are outlined in Board Policy C-18 Non-Financial Agreements.

II. DEFINITIONS

- A. Allocations shall be defined as the disbursement of governmental funding, without an application process, to fund primarily mandated services.
- B. Donations shall be defined as unsolicited cash or in-kind contributions to support a County program or service. Donations can have restrictions on the use of the Donation but do not require applications or reporting requirements. In-kind Donations refer to the provision of goods or services directly, rather than money and may include supplies, equipment, or volunteer time. A Donation typically involves an unsolicited monetary contribution that can be used toward a specific purpose or project.
- C. Grants shall be defined as cash or in-kind support awarded by a government or other organization (called the grantor), excluding Donations and Allocations, for specified purposes to an eligible recipient (called the grantee). Grants are usually conditional upon certain qualifications as to the use, maintenance of specified standards, and/or a proportional contribution by the grantee or other grantor(s). The Grant process may consist of several steps, including a notice of intent to apply, application, acceptance of award, and execution of the Grant agreement and related documents. If funding is titled an Allocation but requires an application process, it will be considered a Grant for the purposes of this policy.

III. POLICY

The County receives financial assistance in the form of Allocations, Donations, and Grants.

- A. The Board of Supervisors is the sole authority for accepting and delegating the acceptance of Allocations, Donations, and Grants unless the Department Head is authorized as outlined in section B below.
- B. County Department Heads are authorized to:
 - 1. Execute all documents required to apply for Grants that meet all of the following criteria, irrespective of dollar amount or value:
