## **EL DORADO COUNTY IMPLEMENTING OVERNIGHT LANE CLOSURE ON LATROBE ROAD AT CARSON CROSSING DRIVE**

El Dorado County's Department of Transportation, in conjunction with Doug Veerkamp General Engineering and Pacific Realty Associates, L.P., will be implementing an overnight lane closure on Latrobe Road at Carson Crossing Drive in El Dorado Hills. Work will start on Monday, February 2, 2026, and traffic control will remain in place overnight into Tuesday, February 3. The left lane of Latrobe Road will be closed in both directions at Carson Crossing Drive, between Suncast Lane and Golden Foothill Parkway, to allow for work on the median. The right hand travel lane will remain open in both directions for the duration of the work, with no reversing traffic control..

Motorists should be aware of large trucks entering or exiting the roadway and should follow the direction of any flaggers or traffic controls when present. Motorists are advised to slow down through the work zone and expect delays during construction. Motorists are also advised to allow extra time when traveling through the work zone in order to arrive at their destinations on time or use alternate routes to avoid the construction area.

The County sincerely appreciates the cooperation and patience of motorists that use this roadway and we apologize for any inconvenience as a result of the work.

For questions regarding this construction, please contact the County's Transportation main line at (530) 621-5900 (select Option 3 for Engineering).
