^A Not applicable.

^B Not available yet. Typically available August/September of each new tax year.

^C Not available.

^D The previous year's secured tax rate is used for current year tax bills on the unsecured tax roll (Revenue and Tax Code §2905).

^E The actual tax rate levied in any given year may exceed the good faith estimate that is made at the time of the election regarding the maximum tax rate anticipated.

Note that "Refunding" may have occurred. Refunding is governmental terminology for "refinancing". Refinancing typically reduces the taxpayers' overall debt service requirement.
