Stakeholder Advisory Team (SAT)

South County Mid-Foothill Communities

Help Shape the Future of Your Community!

El Dorado County Planning and Building Department is seeking approximately 10 volunteers who live, work, do business or own property in one of the south County Mid-Foothill Communities (Chrome Ridge, Fair Play, Gray's Corner, Mt. Aukum, Oak Hill, Pleasant Valley, Somerset) to serve on a **Stakeholder Advisory Team** to help guide new community design standards for commercial, multifamily, and mixed-use development. Your voice will help ensure future development reflects the community's character and needs!

Selected participants will:

- Join a one-day community tour (anticipated October 14, 2026)
- Take a brief follow-up survey to help shape the community design standards
- Share feedback at upcoming community workshops and public hearings

Space is limited. Participants will be considered eligible if they reside, own property, conduct business, or complete building/design work in the south County mid-foothill communities. The goal is to create a balanced team that represents a variety of perspectives on the new community design standards.

To ensure consideration, please submit applications by no later than September 11, 2026. Please indicate on your application if you could be available for a community tour on October 14, 2026.

Send your completed application:
